MAKE BIG MONEY
DURING VACATION
A nationally known manufacturer of automotive accessories has a sales program for June, July and August, that requires the services of a number of high grade men of good personality—college men preferred.

Previous sales experience is desirable, but not absolutely necessary. Men who don't waste their time can easily earn \$10 to \$15 per day and expenses, after becoming familiar with the work. If you want to make your summer vacation really profitable, write us today.

13 ENTRIES IN BALLOON RACE

Bernard von Hoffman, Former Student, Is Entered in National Contest.

MILWAUKEE, May 30.—Interest in balloon racing will center upon Milwaukee today and tomorrow, where the national balloon races, with thirteen entries, will be held.

Full equipment of the thirteen pilots and aides arrived today, and the pilots will be ready for the starting signal tomorrow.

The race is being sponsored by the Aero Club of Wisconsin. Augustus Post, New York, secretary of the Aero Club of America, is on hand and will take part in the final inspection.

The official time of the start will be 3 o'clock central standard time. Balloons will start at five-minute intervals. The start will be made in order of numbers 1 to 13. Drawings for positions will be made today. All boundary regulations in crossing and recrossing from the United States to Canada, or Canada to the United States, have been waived by the Canadian government, according to an announcement by the contest committee.

The race will be run under the International rules of the Federation of Aeronautique International.

In connection with the balloon races and aerial demonstration in which flyers from all over the United States will take part will be held. The Milwaukee airport and Hamilton Field are crowded to capacity in accommodating the planes.

Bernard von Hoffman of St. Louis, a former student in the University of Missouri, will pilot one of the balloons. There are seven other civilian entries, three from the United States Army air service and two from the Naval Aviation service.

TEXAS LAD WINS HONORS IN NATIONAL TRACK MEET

Ties With Houser of California in Total Points—M. M. A. Finishes Eighth.

The national track and field meet for high schools and academies held at Chicago university last Saturday attracted more than one thousand high school athletes from 144 schools in twenty-eight states.

Keeble of Austin, Tex., the lad who stopped in Columbia last week to work out with the Tigers a few days, won the 120-yard high hurdles in 15.35 seconds, a fifth of a second slower than the American intercollegiate record.

Carrollton (Mo.) High School, one of the stars in the high school meet held here May 7, was second over the last hurdle, but fell in the stretch and failed to place.

Keeble tied with Houser, Oxnard, Cal., for individual honor with 14 points. He won the 120-yard high hurdles, second in the low hurdles, third in the broad jump and fourth in the javelin. Congdon of Manual Training High School, Kansas City, won first in the 880-yard dash in 2 minutes, 3.15 seconds.

Missouri Military Academy, Mexico, was sixth in the academies with a total of 8.13 points. Fuller won first in the 120-yard high hurdles and third in the 220-yard low hurdles.

DERBY WILL BE TOMORROW

England's Greatest Turf Event to Be Run on Downs Track.

By United Press.
Epsom Downs, Eng., May 30.—The Derby, England's greatest turf event, will be run tomorrow over the historic Downs track, scene of some of the greatest equine battles during the past 130 years.

The race, which is worth about 7,000 pounds to the owner of the winner, is over a distance of one mile and a half and is confined to three-year-old colts and fillies of uniform weights.

In addition to the tremendous interest in the big race itself, Derby Day is a national carnival, and countless thousands always picnic on the Downs without worrying much about the racing. Sporting enthusiasts, society leaders, crooks, itinerant vendors of refreshments, country cousins, bookmakers, confidence men, pugilists, tous, members of the nobility, middle and working class—in fact every type imaginable—jostle one another with the greatest good-will on the road and on the track. Epsom being a free unenclosed course, there is no possibility of accurately numbering a Derby crowd, which may vary from half a million to double that number.

King George, Queen Mary, Duke of York, Princes Henry and George, Princess Mary and Viscount Lascelles will probably all witness the race. No very great hopes are entertained as to a royal victory, although the royal entry, Weatherman, was expected to run well, despite his disappointing show in the 2,000 Guineas at Newmarket a month ago.

The king has not yet won a Derby. Several royal horses are entered in the smaller events tomorrow and the king's purple and scarlet livery is fully expected to catch the judge's eye at least once during tomorrow.

Popular fancies are (maybe some of them won't run). Lord Queensborough's St. Louis, winner of the 2,000 Guineas, and his stable companion Re-Echo, belonging to Sir Ernest Paget. Lord Woolavington's Captain Cuttle, third in the Guineas, and Sol. B. Joel's Pondoland, second in the same race, were also strongly fancied, while "clever" folk heavily supported Tamar, belonging to Viscount Astor.

YESTERDAY'S BASEBALL

VIRGINIA TUCKER WINS CUP

Takes 28 Points in Stephens Swimming Meet Saturday Night.

Miss Virginia Tucker was the winner of the silver cup presented at the Stephens College swimming meet Saturday evening. She won twenty-eight points.

Virginia Tucker, Frances Harper, Frances Hale, Bessie Gibson and Dorothy Barter were given "duck emblems" for evidencing unusual aquatic skill.

The events included: plunge for distance, breast stroke, back stroke, side-stroke, stunts off board, under water, old clothes race, fancy diving, one legged race, treading stroke, crawl stroke, life saving and floating formations.

Miss Grace Johnson of the physical education department directed the meet.

SOONER WINS SINGLES TITLE

Parks Trims Brown of Washington But Loses in Doubles.

Oklahoma and Washington universities shared honors in the Missouri Valley intercollegiate tennis tournament played in Kansas City last Sunday.

Ben Parks of Oklahoma won the singles championship by defeating Way Brown of Washington in straight sets, 6-3, 6-4. Washington turned a defeat into a victory by defeating Oklahoma in the doubles in three sets, 3-6, 6-4, 6-2.

Karl Krammer and Brown represented Washington, and Parks and Bus Harrington, Oklahoma.

TIGER NINE TO MARSHALL

Black and Gold Meets Missouri Valley Team Tomorrow.

The Tiger baseball team left on the 10:45 o'clock Washash train this morning for Marshall where they will meet the Missouri Valley College nine on their diamond today and tomorrow.

The following players made the trip: Coach "Jerry" Jones; O'Reilly, captain; Murphy, Hayes, Taylor, Denney, Whitehead, Lowrance, Roberts, Packwood, Ficklin, Harrison and "Spec" Carter.

Marketing Discussed at Conference.

The program for the Extension Conference which was held last week at the Kansas State Agricultural College, Manhattan, Kan., contained several marketing subjects. "The Relationship of the County Agricultural Agent to Marketing Activities" was discussed by A. J. Meyer, Director of the Extension Service, in the University here.

Doctor Cole Heads Long Committee.

Dr. J. B. Cole has been appointed chairman of the membership committee of the Long-for-Senate Club, in place of R. B. Price, as was announced yesterday.

At the Long headquarters this morning it was said that they expected to have 1,000 signers to their petition by Saturday when Breckenridge Long speaks here.

GOLF TOURNEY IS HELD TODAY

Twelve Jefferson City Golfers Will Play at Columbia Country Club.

In response to an invitation extended by the Columbia Country Club, twelve Jefferson City golfers played off a dual tournament on the Country Club links this afternoon.

The visiting players, who arrived this morning, are: Dr. W. A. Clark, Jack Lindley, "Happy" Watts, George Haigh, W. A. Dalmeyer, Ed Ramsey, Dr. Bedford, Theodore Oberman, D. Oberman, Judge Perry Spencer, Clifford Fischer and L. S. Parker.

The Columbia players who will meet the Jefferson City golfers are: O. M. Barnett, J. D. Eliff, D. H. Dole, W. M. Haushalter, W. D. A. Westfall, Frank Rollins, B. B. Branstetter, Dr. W. P. Dysart, C. C. Bowling, D. B. Robnett, James S. Rollins, and W. C. Bowling.

The men will play in the order given above.

TOURNAMENTS AT SEDALIA

J. C. Fenell to Offer Prize to Golfers.

Columbia golfers will have an opportunity to compete with out of the city players sometime, next month when an inter-city tournament is expected to be held, according to a statement given out by J. R. Somerville this morning.

Tournaments will be held with Sedalia, Jefferson City, Fulton and Columbia. The meets will be held in Sedalia. A prize will be given by J. C. Fenell of Kansas City, president of the state golfer's association.

SHARP WINS POWELL PRIZE

His Is Best Editorial Dealing With Pacific Problems.

Eugene W. Sharp is the winner of the \$50 prize offered semi-annually by J. B. Powell, editor and publisher of the Weekly Review of the Far East for the best editorial written by a student in the School of Journalism on a subject dealing with problems of the Pacific as they affect America. Sharp, who is from Oklahoma City, Okla., wrote on "What America and China Gained from the Armament Conference."

P. Y. Chien, Peking, China, received honorable mention for his editorial.

The judges were Representative L. C. Dyer of Missouri and M. A. Oudin, vice-president of the International General Electric Co.

NEW AIRSHIP IS INVENTED

Craft Lighter Than Air May Revolutionize Air Transport.

By United Press.
WASHINGTON, May 29.—A new type of lighter-than-air craft, which, it is claimed, will revolutionize air transport, and will be propelled upward by the unique means of a vacuum maintained within its center, has been invented by an Italian, Signor Vaucan, according to reports.

Three concentric hulls will form the body of the new ship, a partial vacuum to be effected in the outer two, the third, inmost, to be made as nearly a perfect vacuum as is possible, by pumps. By reduction and equal distribution of external pressure on the three separate hulls the existing pressure on any portion of the craft would be less than five pounds a square inch.

A prospective speed of 215 miles an hour would be possible—New York to London in eighteen hours—when equipped with four 300 horsepower engines, dually propelling the ship and operating the pumps.

Doubts have been expressed as to the probably rigidity of the airship, whether the hull would collapse from external pressure, or, if sufficiently strong to withstand fifteen pounds a square inch, its weight would be prohibitive.

A. M. CROUCH, JR., STRIKES OIL

Former Columbian Bought Land in California a Year Ago.

Oil has been struck on the land of A. M. Crouch, Jr., in California, according to a telegram received here by his father, A. M. Crouch. A 3,500-barrel well is now flowing, and three more wells are being drilled on the land. Mr. Crouch

ONE BRAND-ONE QUALITY-One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—CAMEL.

Into this ONE BRAND, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel QUALITY is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigarettey aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Such things do not improve the smoke any more than premiums or coupons. And their added cost must go onto the price or come out of the quality.

One thing—and one only—is responsible for Camels great and growing popularity—That is CAMEL QUALITY.

Camel
